

SHAPING BRIDGEND'S FUTURE

28 September 2015

Dear councillor,

The council's consultation on its corporate priorities and the budget proposals goes live today, Monday 28 September and will be open until Sunday 22 November.

It's really important that citizens have an opportunity to participate in this and have their say on Bridgend County Borough's future. Citizens can primarily do this by completing an online survey, booking onto an engagement workshop, visiting a consultation stand in their area or engaging with us on social media.

The survey can be accessed via the council website at www.bridgend.gov.uk/future

The engagement workshops are on the following dates:

Coleg Y Dderwen	Wednesday 14 October	6pm
Porthcawl, The Grand Pavilion	Thursday 15 October	6pm
Pencoed Miners Welfare Hall	Wednesday 21 October	6pm
Bridgend Life Centre	Thursday 12 November	6pm
Maesteg Town Hall	Wednesday 18 November	6pm

People need to book onto these by contacting the consultation team on 01656 643664 or by emailing consultation@bridgend.gov.uk

Please can you make your constituents aware that they can have their say on these proposals and also highlight the different ways that they can engage with us.

More information about the consultation and other activities can be found on www.bridgend.gov.uk/future or by contacting the consultation team on 643664.

Kind regards
The consultation team
